

Academic Year	CLAS	Education	Engineering	FPCA	Medicine	Nursing	Pharmacy and Health Sciences	Social Work
2021-2022	History Urban Studies and Planning	Teacher Education Division (TED)	Biomedical Engineering	Communication	Physiology	Nursing PhD		
2022-2023	Biological Sciences Criminal Justice Philosophy	Learning Design & Technology	Engineering Technology	Theatre	Biochemistry, Microbiology and Immunology			Social Work PhD and Certificates
2023-2024	Economics Gender, Sexuality, and Womens Studies Psychology	Kinesiology, Health and Sports Studies		Art and Art History	Cancer Biology Translational Neuroscience		Pharmaceutical Science	
2024-2025	Nutrition and Food Science Political Science Sociology	Educational Psychology	Civil and Environmental Engineering Mechanical Engineering		Pathology			
2025-2026	Chemistry CMLLC African American Studies Geology and Environmental Science	Education Evaluation and Research Educational Leadership and Policy Studies			Molecular Genetics and Genomics			
2026-2027	Communication Science and Disorders Employment and Labor Relations Math English		Chemical Engineering Industrial and Systems Engineering		Ophthalmology, Visual, and Anatomical Sciences			
2027-2028	Anthropology Linguistics Physics and Astronomy		Computer Science Electrical and Computer Engineering		Pharmacology			
2028-2029	History Urban Studies and Planning	Teacher Education Division (TED)	Biomedical Engineering	Communication	Physiology	Nursing PhD		
2029-2030	Biological Sciences Criminal Justice Philosophy	Learning Design & Technology	Engineering Technology	Theatre	Biochemistry, Microbiology and Immunology			Social Work PhD and Certificates
2030-2031	Economics Gender, Sexuality, and Womens Studies Psychology	Kinesiology, Health and Sports Studies		Art and Art History	Cancer Biology Translational Neuroscience		Pharmaceutical Science	
2031-2032	Nutrition and Food Science Political Science Sociology	Educational Psychology	Civil and Environmental Engineering Mechanical Engineering		Pathology			
2032-2033	Chemistry CMLLC African American Studies Geology and Environmental Science	Education Evaluation and Research Educational Leadership and Policy Studies			Molecular Genetics and Genomics			
2033-2034	Communication Science and Disorders Employment and Labor Relations Math English		Chemical Engineering Industrial and Systems Engineering		Ophthalmology, Visual, and Anatomical Sciences			
2034-2035	Anthropology Linguistics Physics and Astronomy		Computer Science Electrical and Computer Engineering		Pharmacology			
2035-2036	History Urban Studies and Planning	Teacher Education Division (TED)	Biomedical Engineering	Communication	Physiology	Nursing PhD		
2036-2037	Biological Sciences Criminal Justice Philosophy	Learning Design & Technology	Engineering Technology	Theatre	Biochemistry, Microbiology and Immunology			Social Work PhD and Certificates
2037-2038	Economics Gender, Sexuality, and Womens Studies Psychology	Kinesiology, Health and Sports Studies		Art and Art History	Cancer Biology Translational Neuroscience		Pharmaceutical Science
